ABOUT US

Deys Trading Corporation is a chemicals import and trading business connecting verified manufacturers with buyers in Canada and the United States. We're starting with glycerin — working directly with high-quality international suppliers while also sourcing locally within Canada. Our focus is on dependable sourcing, transparent pricing, and consistent quality: the fundamentals that industrial buyers actually need from a trading partner.

1

Direct Sourcing

Working straight with manufacturers to keep quality consistent and pricing competitive.

2

Dual-Market Reach

International sourcing combined with local Canadian supply for flexible options.

3

B2B Focused

Built for manufacturers, distributors, and bulk buyers who need reliable repeat supply.
